How many years do you plan to attend college and what course of study would you like to pursue?

Do you know what career would you like to pursue after finishing college?

If you've decided which college you will attend, please include school name and why you chose that school:

If undecided, please list top three choices and why:

List high school activities (student government, sports, publications, school-sponsored community service programs, arts, music, etc.). List in descending order of significance.

List public service and community activities (volunteer work, advocacy activities, work with religious organizations, etc.). Do not repeat items listed previously. List in descending order of significance.

List awards or special recognitions you have received. List in descending order of significance.

List other scholarships for which you've applied and if you've received them.

List your hobbies and interests in descending order of enjoyment.

List any jobs or internships held in descending order of enjoyment. Please include amount of time at each position.

What were your three favorites classes during high school and why?

What was the most satisfying event of your high school experience and why?

What additional personal information would you like to share with the Rebecca Adams Green Foundation?

In 600 words or less, please give the foundation an idea of who you are and why you are the perfect candidate for our scholarship.
