Cumulative GPA on 4.0 scale: (Please attach transcript)

How many years do you plan to attend college and what course of study would you like to pursue?

Do you know what career would you like to pursue after finishing college?

If you've decided which college you will attend, please include school name and why you chose that school:

If undecided, please list top three choices and why:

Of all your extracurricular activities (student government, sports, speech, publications, arts, music, etc.) what was your favorite and why? If you weren't involved in these activities, why did you make that decision?

Of all the public service and community activities you were involved in (volunteer work, advocacy activities, work with religious organizations, etc.) which was your favorite and why? If you weren't involved in any of these activities, why did you make that decision?

Have you received any awards or special recognitions? If so, please list.

Have you applied for other scholarships? If so, please list them and note if you've received any.

What is your favorite thing to do in your free time?

List any jobs or internships held in descending order of enjoyment. Please include amount of time at each position.

What were your two favorites classes during high school and why?

What was the most meaningful event of your high school experience and why?

What has been your worst high school experience and why?

If you could change one thing about high school in general, what would it be?

If you could give \$1,000,000 to only one charity (other than the RAGF, of course), what would it be and why?

What additional personal information would you like to share with the Rebecca Adams Green Foundation?

In 600 words or less, please give the foundation an idea of who you are and why you are the perfect candidate for our scholarship.
