

REBECCA ADAMS GREEN COLORADO NATURE CAMP SCHOLARSHIP

“Only those who risk going too far can possibly find out how far they can go.”
T.S. Eliot

Why should you be interested in applying for a scholarship to attend a week-long camp in the mountains of Colorado? Because just being in the mountains is a breath-taking experience! Because playing in the mountains is a complete blast! Because learning new activities is mind-opening! Because pushing yourself beyond your comfort level will make you a stronger person!

You don't have to have any previous outdoor experience to apply. You don't have to own hiking boots or a backpack. Maybe you're not involved in sports or organizations – that's fine! Maybe you're involved in everything but you love learning new stuff – that's fine too! We are simply looking for applicants who want to have fun and challenge themselves.

The Rebecca Adams Green Foundation's Colorado Nature Camp Scholarship is a scholarship to attend a week-long camp in the mountains of Colorado this coming summer. It is available to any student attending Loup City, Litchfield, or Arcadia Public Schools who will be in grades 7-8 in the fall of 2019. The scholarship will cover the camp tuition and the cost of transportation to and from the camp. The scholarship winner will be able to choose the session of her/his choice from the following camps:

Camp Calwood in Jamestown, CO (near Boulder)

Avid 4 Adventure near Bailey, CO
