

We are so excited that you have decided to apply for the Rebecca Adams Green Foundation's Colorado Nature Camp Scholarship! This is a scholarship to attend a week-long camp in the mountains of Colorado this coming summer. It is available to any student attending Loup City Public Schools who will be in grades 7-8 in the fall of 2017. The scholarship will cover the camp tuition and the cost of transportation to and from the camp. We have two options for camp dates: Wildland Skills from June 18-23 or Trekkers from July 17-22. Go to www.calwood.org for more info on the sessions. The camp will be an opportunity to learn new skills in a new environment and to make new friends from all over the country. In other words, it will be a blast!

To apply for this scholarship, please answer the questions below:

What is your name?

What grade will you be entering in the fall of 2017?

What are some of your hobbies?

Have you ever been camping/backpacking before?

What is your favorite thing to do outside?

Have you been to the mountains before?

What do you think the best job in the world would be and why?

If you could fix one of the world's problems (hunger, poverty, pollution, war, etc.), what would it be and why?

If you win this scholarship, the Rebecca Adams Green Foundation will pay for the camp fee and for the transportation to get you to and from the camp. We can also help with any supplies that you may not have. The only thing we require is that, ***within two weeks of returning from the camp***, you tell us about your experience via a letter with pictures or a computer presentation or a scrapbook or a video – whichever form you choose. It will be posted on our website and Facebook page. Please sign here acknowledging that you agree to this: _____ . Parent or Guardian Signature: _____

Which session do you prefer?

Prior commitments during mid June – July, 2017:

I am aware that my child is applying for the Rebecca Adams Green Colorado Nature Camp Scholarship:
